Urgent !!

We intend to levy on certain assets. Please respond NOW.
(To avoid additional penalty and interest, pay the amount you owe within ten days from the date of this notice.)

Our records indicate that you haven't paid the amount you owe. The law requires that you pay your tax at the time you file your return. This is your notice, as required by Internal Revenue Code Section 6331(d), of our intent to levy (take) any state tax refunds that you may be entitled to if we don't receive your payment in full. In addition, we will begin to search for other assets we may levy. We can also file a Notice of Federal Tax Lien, if we haven't already done so. **To prevent collection action, please pay the current balance now.** If you've already paid, can't pay, or have arranged for an installment agreement, it is important that you **call us immediately** at the telephone number shown below.

Notice of Potential Third Party Contact

We are attempting to collect unpaid taxes from you. Generally, our practice is to deal directly with a taxpayer or a taxpayer's duly authorized representative.

However, we sometimes talk with other persons, for example when we need information that the taxpayer has been unable to provide, or to verify information we have received.

This notice is provided to tell you that we may contact other persons. If we do contact other persons we will generally need to tell them limited information, such as your name. The law prohibits us from disclosing any more information than is necessary to obtain or verify the information we are seeking. Our need to contact other persons may continue as long as there is activity on this matter.
