

Woah!!!!!!!!!!!!!!!

They Picked the Wrong Man to Rob

This demonstrates what an armed and trained man can do in the face of some organized dirt bags.....

“THE AVERAGE RESPONSE TIME FOR A 911 CALL IS FOUR MINUTES.

THE AVERAGE RESPONSE TIME FOR A .40 CAL. ROUND IS 1400 FEET PER SECOND”

What could happen if you screw with a law enforcement officer in Texas

Here is the latest from the El Paso , TX PD

Living on the border, we are all familiar with criminals coming from Mexican gangs. In this situation, three armed felons crossed the US border, and tried to rob an off duty El Paso , Texas Police Officer dressed in civilian clothes while he stood in front of a bank.

The plan was for two of them to grab his backpack and toss it to an accomplice on a stolen motorcycle.

However, the well prepared Police Officer shot all of them, managing to kill two immediately. The third one was shot in both arms and bled to death before help arrived. **Gun used: a 40 cal.**

Do you realize how much the US taxpayer saved by not having to prosecute these worthless thugs?

This guy won't be around much longer.

Final score:

Good Cop: Three

Bad guys: Zero
