Dear Ms. Harn:

Thank you for contacting me to inquire about the legality of the federal income tax. It is good to hear from you.

I appreciate knowing of your thoughts on this issue and I share your concern that the American people are overtaxed by the federal government. I have enclosed a Congressional Research Service Report on the legality of federal income tax laws for your review, which will hopefully answer some of your concerns. I have also enclosed a fact sheet from the Internal Revenue Service.

Thank you again for contacting me. You can be sure that I will continue to work to reduce the tax burden on the American people and reform our tax system. If I can be of assistance to you in the future, please let me know. It is an honor to serve you in the Congress.

Sincerely,

Dave Weldon  
Member of Congress
