INSTRUCTIONS

1. **GENERAL.** File this application if you want to amend your permit under the Federal Alcohol Administration Act (FAA Act) or to notify the Bureau of Alcohol, Tobacco and Firearms (ATF) of a change in the ownership, management or control. In the case of a corporation, report any change in the officers, directors, or persons (*individual or business*) who own or control more than 10 percent of the voting stock. When a change results in an actual or legal change in control or a new person acquires a permittee's business, file an application for a new permit (ATF F 5100.24). Neither the filing of this application nor its approval allows a business to violate State or local laws, such as registration of trade names and licensing requirements.
2. **FILING.** Complete all applicable items. Attach your permit to this application if you are requesting any amendments identified in items 4 through 7. If you need additional room, use a separate sheet. Put your name, permit number(s), date of application and the item number(s) on each separate sheet. File two copies of this form and any attachments with the appropriate ATF office listed below. Also, contact this office if you have questions.
3. **INFORMATION ON FILE.** You may reference information if you filed it with a valid ATF permit or an application that is pending with ATF. Reference the appropriate item(s) of this application. Include the name of the applicant or the permittee, and the ATF permit number or the type and date of the application.
4. **OPERATIONS WITHOUT AN AMENDED PERMIT.** In general, criminal and administrative actions may be taken against persons operating without a valid FAA Act permit. Before you conduct any operations with any change specified in items 4 through 7, you must apply for, and receive, an approved permit. Immediately notify ATF of any changes in the ownership or management in a permittee's business.
5. **ITEM 5 - SPECIAL TAX STAMP.** If you move or change the location of your business, send your special tax stamp for amendment with ATF F 5630.5, Special Tax Registration and Return, within 30 days of the change. You do not need a special tax stamp when your business only involves the importation or sale of fermented cereal beverages which have an alcoholic content of less than ½ percent or where your business is only in Puerto Rico.

ATF officers may disclose this information to other Federal, State, foreign and local law enforcement and regulatory agency personnel to verify information on the application and for enforcement of the laws of such other agency.
