(b) Substituted basis

Whenever it appears that the basis of property in the hands of the taxpayer is a substituted basis, then the adjustments provided in subsection (a) shall be made after first making in respect of such substituted basis proper adjustments of a similar nature in respect of the period during which the property was held by the transferor, donor, or grantor, or during which the other property was held by the person for whom the basis is to be determined. A similar rule shall be applied in the case of a series of substituted bases.

(c) Increase in basis of property on which additional estate tax is imposed

(1) Tax imposed with respect to entire interest

If an additional estate tax is imposed under section 2032A(c)(1) with respect to any interest in property and the qualified heir makes an election under this subsection with respect to the imposition of such tax, the adjusted basis of such interest shall be increased by an amount equal to the excess of -

(A)

the fair market value of such interest on the date of the decedent's death (or the alternate valuation date under section 2032, if the executor of the decedent's estate elected the application of such section), over

(B)

the value of such interest determined under section 2032A(a).

(2) Partial dispositions**(A) In general**

In the case of any partial disposition for which an election under this subsection is made, the increase in basis under paragraph (1) shall be an amount -

(i)

which bears the same ratio to the increase which would be determined under paragraph (1) (without regard to this paragraph) with respect to the entire interest, as

(ii)

the amount of the tax imposed under section 2032A(c)(1) with respect to such disposition bears to the adjusted tax difference attributable to the entire interest (as determined under section 2032A(c)(2)(B)).

(B) Partial disposition

For purposes of subparagraph (A), the term "partial disposition" means any disposition or cessation to which subsection (c)(2)(D), (h)(1)(B), or (i)(1)(B) of section 2032A applies.

(3) Time adjustment made

Any increase in basis under this subsection shall be deemed to have occurred immediately before the disposition or cessation resulting in the imposition of the tax under section 2032A(c)(1).

(4) Special rule in the case of substituted property

If the tax under section 2032A(c)(1) is imposed with respect to qualified replacement property (as defined in section 2032A(h)(3)(B)) or qualified exchange property (as defined in section 2032A(i)(3)), the increase in basis under paragraph (1) shall be made by reference to the property involuntarily converted or exchanged (as the case may be).

(5) Election**(A) In general**

An election under this subsection shall be made at such time and in such manner as the Secretary shall by regulations prescribe. Such an election, once made,

shall be irrevocable.

(B) Interest on recaptured amount

If an election is made under this subsection with respect to any additional estate tax imposed under section 2032A(c)(1), for purposes of section 6601 (relating to interest on underpayments), the last date prescribed for payment of such tax shall be deemed to be the last date prescribed for payment of the tax imposed by section 2001 with respect to the estate of the decedent (as determined for purposes of section 6601).

(d) Reduction in basis of automobile on which gas guzzler tax was imposed

If -

(1)

the taxpayer acquires any automobile with respect to which a tax was imposed by section 4064, and

(2)

the use of such automobile by the taxpayer begins not more than 1 year after the date of the first sale for ultimate use of such automobile,

the basis of such automobile shall be reduced by the amount of the tax imposed by section 4064 with respect to such automobile. In the case of importation, if the date of entry or withdrawal from warehouse for consumption is later than the date of the first sale for ultimate use, such later date shall be substituted for the date of such first sale in the preceding sentence.
